## **TAXPAYERS OF THE WORLD UNITE AND ENDORSE THE FAIRTAX**

**On June 14, the internationally acclaimed World Taxpayers Association endorsed the FairTax as the best replacement for the income tax!**

Since it has become clear throughout the United States and the world that the income tax is a burdensome and inefficient system which violates individual freedoms, discourages strong economic growth, and needs to be eliminated, Americans for Fair Taxation is continuing to enjoy significant national and international endorsements!

On June 14, 2001, The World Taxpayers Association commended Americans for Fair Taxation for their efforts and endorsed the FairTax as the best solution for replacing the income tax internationally. They stated that the "income tax has been shown to be one of the most economically destructive types of tax," and replacement of the current tax system with the FairTax would result in the following benefits:

- Immediate marked increases in economic growth and development
- Improvement in the lives of American citizens

The World Taxpayers Association was founded in 1988 and is comprised of 37 member associations from 32 countries on six continents.

**Americans for Fair Taxation is a non-profit, non-partisan organization dedicated to replacing our federal income tax system with a simple, single-rate federal consumption tax on the final purchase of new goods and services. Established in 1995, Americans for Fair Taxation is headquartered in Houston, Texas with an office in Washington, D.C. and is supported by 418,000 members and volunteers throughout the country.
