Whereas, the current U.S. tax code is widely regarded as unfair, complex, wasteful, confusing and costly;

Whereas, the Internal Revenue Service is acknowledged to be deeply flawed, mismanaged and has victimized many innocent taxpayers;

Whereas, the American people deserve a tax system that:

- | | | |
|--------------------------|--------------------------|--|
| <input type="checkbox"/> | <input type="checkbox"/> | • Enables workers to keep their entire paycheck and retirees to keep their entire pension; |
| <input type="checkbox"/> | <input type="checkbox"/> | • Closes all loopholes |
| <input type="checkbox"/> | <input type="checkbox"/> | • Frees individuals from ever filing a tax return again; |
| <input type="checkbox"/> | <input type="checkbox"/> | • Abolishes the IRS and ends all audits of individual taxpayers; |
| <input type="checkbox"/> | <input type="checkbox"/> | • Eliminates all hidden federal taxes; |
| <input type="checkbox"/> | <input type="checkbox"/> | • Brings accountability to tax policy; |
| <input type="checkbox"/> | <input type="checkbox"/> | • Lets American-made products compete fairly; and |
| <input type="checkbox"/> | <input type="checkbox"/> | • Allows every family to buy the basic necessities tax-free. |

Therefore, I the undersigned do hereby fully support and encourage every Member of Congress, especially my own, to support and co-sponsor H.R. 2525 which would effectively abolish the IRS and repeal the current tax code; and replace it with the FairTax, a simple, federal consumption sales tax which

☐ would be administered equally to all eligible Americans.
